SEASON'S GREETING MY STITCHY FRIENDS!

2020 is nearly over and it has been one wild and crazy ride! I don't know about you, but there were days my sanity was held together by a thread. Embroidery thread, that is.

Somehow, my little shop emerged in October and I was so scared to sell the designs I've been creating since 2015. Who could possibly like my quirky little figures? But YOU like them! You told me so with your feedback and your purchases. My gratitude (I get a little teary-eyed here) is HUGE. Thank you.

I will continue to create "Quirky Characters for the Inspired Sewist" in 2021 with more characters, more bodies, more faces, and more fun. I'm also making updates to the website to make it more user-friendly and streamline the process for your visit. Virtual workshops and classes may also be on the menu - if YOU want them.

Let's round out 2020 with a FREE design for Mr. Santa Clause, shall we? This one is a limited time freebie for CREW Newsletter subscribers (that's you!) It's tiny, but Santa can make it bigger with his magic so your hoop size won't matter. The FREEBIE includes a 4x4, 5x7 and 6x10 version of the coat & hat ensemble.

Four new faces were added to the shop in December. Allow me to introduce - Hero, Rebel, Ruler, and Caregiver.

The samples below were made from fleece which I'd never tried until some of you suggested it. (**TIP** - use a size 14 embroidery needle on fleece. I broke a few size 11 needles until I figured that out.)

Making video tutorials is one of the harder things I've had to learn this year. But a video can explain things better than photo instructions. So I take the time to produce these videos. Hop over and subscribe to the [Ballyhoo Creations YouTube](#) if you haven't already.
