

TOOLS NEEDED:

- (Optional) sewing machine
- sharp fabric scissors
- Small sharp scissors for cutting faux fur backing
- long doll needle for hand sewing
- pins or clips to hold fabric together
- (Optional) Small hemostats for turning and stuffing feet (feet are optional)

SUPPLIES NEEDED:

- Body fabric: 10" x 8" piece, or you can use a sock
- Hat fabric: 12" wide and at least 10" long or longer depending on hat length
- Skin fabric: 3" square for nose, 10x7" for optional feet - THIS MUST be stretchy fabric. Spandex knit from a nude colored camisole works great. T-shirt or other stretch knits also work well.
- Sewable interfacing or stabilizer, non-stretchy for feet
- Beard: faux fur triangle 6" wide, and 3-8" long depending on fur length
- Hat trim: 12" faux fur yarn or other furry or fluffy trim
- strong thread for hand sewing
- Heavy filler for bottom: plastic pellets, aquarium gravel, etc.
- poly stuffing
- (Optional) twine, String or rubber bands to tie off top of gnome body
- Thread for hand sewing
- Fabric Glue - Fabri-fix or Fabri-tac work well, or you may use a glue gun if you prefer.
