Elna	Expressive 920		\$6,999	https://www.kenssewingcenter.com/	single	9x11	combo	yes	
Elna	Expressive 940	\$85,000	\$5,499		4 needle rotary	8x9	emb only		
Elna	Expressive 970	\$10,000	\$6,799		7 needle rotary	8x9	emb only		
still compiling pricing info on the Elna machines									
Some Janome machines can be purchased online while the more expensive models are through Dealers only									
Janome's larger hoop sizes can be deceiving, since it's hard to find designs of those sizes. So their 6.7x7.9 hoop is really like a 5x7 hoop with extra unused space, since it's not big enough for 3rd party 6x10 designs.									
Janome	notes: MC=Memory Craft,								
Janome	MC200E	\$1,000			single	5x5	emb only	no	
Janome	MC230E	\$1,000			single	5x5	emb only	no
